

WE CAN HELP YOUR COMPANY SAVE \$7,000.00!!

According to the OSHA regulations ... all operators of Industrial Forklifts and Rough Terrain Forklifts must have refresher training every three years.

**Failure to comply can result in an
OSHA fine of \$7,000.00 per occurrence!**

In order to help your company stay in compliance with the current regulations Bobcat Enterprises Training Department is offering Industrial Forklift and/or Rough Terrain Forklift refresher classes at a discounted rate in April and May.

Our regular price for refresher training is \$75.00 per student, per piece of equipment. This valuable training is now reduced over...

**13% to \$65.00 per student, for one class or
20% to \$120.00 per student for both classes!**

Dates and class space for these refresher classes is limited.
Please call us now to reserve space for your operators.

**A small investment in operator training could
Save your company up to \$7,000.00 in fines from OSHA.**
